### INDEPENDENT AUDITOR'S REPORT

Board of Directors Ain Dah Yung (Our Home) Center St. Paul, Minnesota

### **Opinion**

We have audited the accompanying financial statements of Ain Dah Yung (Our Home) Center (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021 and 2020, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Ain Dah Yung (Our Home) Center as of December 31, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ain Dah Yung (Our Home) Center and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ain Dah Yung (Our Home) Center's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of Ain Dah Yung (Our Home) Center's internal control. Accordingly, no such opinion is
  expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ain Dah Yung (Our Home) Center's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### 1. Summary of Significant Accounting Policies

#### **Organizational Purpose**

Since its inception, the Ain Dah Yung (Our Home) Center (the Organization) has provided a healing place within the community for American Indian youth and families to thrive in safety and wholeness. Although it originally concentrated on providing emergency shelter for runaway and homeless American Indian youth, the Organization currently provides a multitude of services intended to strengthen personal and community growth for youth and families in the region.

The Organization's programs are as follows:

### Youth Programs:

<u>Emergency Shelter</u> – A culturally specific emergency shelter to American Indian youth who are homeless, runaway, in a family crisis, or involved with juvenile corrections. Services include: emergency and short-term shelter, crisis intervention, case systems advocacy, information and referrals, access to medical/dental care, counseling, case management and community education.

Mino Oski Ain Dah Yung – Meaning "Our Good New Home" in Ojibwe, Mino Oski Ain Dah Yung is a 42-unit permanent supportive housing project for American Indian youth ages 18 to 24. Opened in November 2019, Mino Oski Ain Dah Yung offers young adults who have experienced homelessness their own efficiency apartment with a complete suite of culturally responsive on-site services.

<u>Prevention/Intervention</u> – Ninijanisag (Our Children) is a multifaceted program focusing heavily on engagement and prevention – working to ground youth in Native culture while designed to combat chemical and commercial tobacco abuse, teen dating violence, gang relations, sex trafficking and other self-compromising behaviors among at-risk youth between ages of 8-17.

<u>Youth Lodge</u> – Beverley A. Benjamin Youth Lodge is a culturally grounded transitional living program available to youth between the ages of 16-21 that have no parental substitute or foster home to which they can safely go. This intervention program emphasizes training, education and employment goals and is designed to develop a support system to meet holistic needs of body, mind, and spirit. The Street Outreach program under youth lodge is a street-based support program to runaway or homeless youth unable or not wanting to enter a shelter. Case workers provide information on safe housing, basic needs resources and health related issues. They also provide health and personal care supplies, food and access to transportation.

### Family Programs:

<u>Family Support Services</u> – These services are designed to keep American Indian families together and strong by providing the knowledge, skills and resources they need to provide a safe, stable environment for their children.

### 1. <u>Summary of Significant Accounting Policies (continued)</u>

### Organizational Purpose (continued)

<u>Family Preservation and Reunification</u> — Oyate Nawajin "Stand With the People" is a family advocacy program that uses traditional American Indian traditions and an asset based approach that builds on the strengths of families and was established in response to the disproportionate placement of American Indian children outside the home. We provide family preservation and reunification services that combines self-help, professional intervention, and cultural reinforcement in order to strengthen families experiencing a process of family reunification and/or stressful parenting situations.

<u>Indian Child Welfare Legal Advocacy/Compliance (ICWLAC) Project</u> - Created to enforce local compliance with the federal Indian Child Welfare Act (ICWA). The Organization's ICWLAC Project provides court monitoring on cases involving American Indian children, legal representation to American Indian families (through a collaboration with SMRLS), and education/outreach to identify systemic problems and strategize on solutions regarding ICWA compliance.

<u>Counseling & Support</u> – Ramsey County Children's Mental Health Case Management provides support, case management and assistance in coordinating resources for families with children who have mental health needs.

#### Net Assets

Net Assets, revenues, gains, and losses are classified based on the existence or absence of donor-or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

<u>Net Assets without Donor Restrictions</u> – Net assets available for use in general operations and not subject to donor-or grantor-imposed restrictions.

<u>Net Assets with Donor Restrictions</u> – Net assets subject to donor- or grantor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. The Organization reports contributions restricted by donors as increases in net assets with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

### 1. Summary of Significant Accounting Policies (continued)

### Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with an original maturity of three months or less to be cash equivalents.

### Accounts Receivable and Doubtful Accounts

Receivables are recorded at amounts billed and are generally due when billed. Amounts outstanding for more than 30 days are considered delinquent. Accounts receivable are generally uncollateralized and the Organization does not charge interest on accounts receivable balances. The Organization reviews accounts receivable balances on a periodic basis and writes off delinquent receivables when they are considered uncollectible. No allowance for doubtful accounts has been provided as accounts receivable are considered collectable.

#### Promises-To-Give (Contributions Receivable)

Unconditional promises-to-give are recognized in the period the promises are made. Conditional promises-to-give are recognized when the conditions on which they depend are substantially met, that is, when the conditional promise becomes unconditional.

#### Investments

The Organization carries its investments at market value.

### **Property and Equipment**

All major expenditures for land, buildings, improvements and equipment are capitalized at cost. Property and equipment that was purchased or appraised at a value greater than \$3,000 is capitalized. Property and equipment are stated at the fair value at the date of donation in case of donated assets. Depreciation is provided through the use of the straight-line method, over an estimated useful life.

### Revenue and Revenue Recognition

The Organization recognizes program service fee revenue at a point in time when the performance obligations of providing the services are met.

The Organization recognizes contributions when cash, securities or other assets, an unconditional promise to give, or a notification of a beneficial interest is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met.

### 1. <u>Summary of Significant Accounting Policies (continued)</u>

### Revenue and Revenue Recognition (continued)

A portion of the Organization's revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/ or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position. The Organization received a PPP loan in the year ended December 31, 2020 and recorded them as a conditional grants. The Organization met the conditions of the grant and the amount is included as part of the government grants and contracts.

### **Unemployment Cost**

Prior to January 2020, the Organization has elected to self insure its unemployment cost by reimbursing the State of Minnesota for any unemployment benefits paid to its former employees. Beginning in 2020, the Organization participates in the State of Minnesota's Unemployment program and pays into the plan as required.

### **Functional Allocation of Expense**

Salaries and related expenses are allocated on job descriptions and the best estimates of management. Expenses related to a specific program or supporting service are charged directly to that program or service. Expenses, other than salaries and related expenses, which are not directly identifiable by program or supporting service are allocated based on the best estimates of management.

### Income Tax

The Organization has a tax-exempt status under Section 501(c)(3) of the Internal Revenue Code and has adopted *Accounting for Uncertainty in Income Taxes*, ASC 740-10. The Organization's policy is to evaluate uncertain tax positions, at least annually, for the potential for income tax exposure from unrelated business income or from loss of nonprofit status. The Organization continues to operate consistent with its original exemption application and each year takes the necessary actions to maintain its exempt status. It has been classified as an organization that is not a private foundation under the Internal Revenue Code and charitable contributions by donors are tax deductible. In compliance with its exempt status, the Organization annually files a Return of Organization Exempt From Income Tax (Form 990).

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

### 1. <u>Summary of Significant Accounting Policies (continued)</u>

### Reclassifications

Certain amounts in prior year financial statements have been reclassified to conform with the presentation in the current year financial statements.

### **Subsequent Events**

The Organization has evaluated the effect that subsequent events would have on the financial statements through July 18, 2022, which is the date financial statements were available to be issued.

### 2. Significant Concentrations of Credit Risk

The Organization provides services within the Twin Cities area. The amounts due for services provided are from individuals, or their third-party payors, substantially all of whom are local residents. In addition, grants and contributions receivable are from local residents, governments or institutions.

At December 31, 2021 and 2020, the Organization held funds at a local financial institution in excess of federally insured limits. Although the amounts on deposit exceed the federally insured limit, the Organization has not experienced any losses.

### 3. Uncertainties and Contingencies

The COVID-19 outbreak in the United States has caused business disruption through both mandated and voluntary suspension of operations. There are still uncertainties if there will be future disruptions due to additional outbreaks. Therefore, the Organization expects this matter may impact its operating results, but reasonable estimates cannot be made at this time.

### 4. Contributions Receivable

The balances of grants and pledges receivable are due as follows:

|                                     | iber 31,   |            |
|-------------------------------------|------------|------------|

| Total Grants and Pledges Receivable | \$ 599,350 | \$ 371,850 |

All contributions receivable are considered collectable.

### 5. Investments

The Organization held the following investments as of:

|                              |             | December 31, |           |            |  |  |  |  |  |  |

| Marketable Equity Securities | <u>\$</u> - | <u>\$</u> -  | \$ 26,620 | \$ 26,752  |  |  |  |  |  |  |

The Organization carries its partnership interest in the ADYC Supportive Housing Limited Partnership at cost. The amount carried as a long-term asset was \$140,000 for both the years ended December 31, 2021 and 2020. This investment is tested annually for impairment.

### 6. Fair Value

The Organization adopted Financial Accounting Standards Board Accounting Standards Codification Topic 820 Fair Value Measurements and Disclosures ("ASC 820"). In accordance with ASC 820, "fair value" is defined as the price that an organization would receive upon selling an investment in an orderly transaction to an independent buyer in the principal or most advantageous market for the investment. Various inputs are used in determining the value of investments. ASC 820 established a three-tier hierarchy of inputs to establish a classification of fair value measurements for disclosure purposes. The three-tier hierarchy of inputs is summarized in the three broad levels listed below:

- Level 1 Quoted prices in active markets for identical investments.
- Level 2 Other significant observable inputs (including quoted prices for similar investments, interest rates, prepayment speeds, credit risk, etc.)
- Level 3 Significant unobservable inputs.

The following is a summary of the inputs used to determine the fair value of the investments at December 31, 2021:

|      | Level 1     | Level 2     | <u>Level 3</u> | lotal       |
